

INDIA-ISRAEL BUSINESS COLLABORATION

Unlock Global Opportunities Through Trade, Investment & Innovation

Connecting Indian Businesses with Israel's Dynamic Innovation Ecosystem

The Global Trade Driver (TGTD), based in Chennai, is dedicated to promoting international collaboration across industry, trade, education, innovation and investment. We are pleased to present the TGTD-Israel Newsletter, highlighting opportunities for Indian companies seeking international growth through collaboration with Israel.

Why Israel

Israel is globally recognized as the 'Startup Nation' and is a leader in technology, cybersecurity, agritech, healthcare, water management, clean energy and advanced manufacturing. India and Israel continue to strengthen strategic partnerships creating significant opportunities.

Inside the TGTD-Israel Newsletter

- Exclusive interview with Ms. Orli Weitzman, Consul General of Israel, South India.
- Business & investment opportunities.
- Leading Israeli companies in India and Indian companies in Israel.
- Trade exhibitions and business events.
- Innovation, education, tourism and workforce collaboration.

Partner with TGTD

Business Delegations • B2B Matchmaking • Trade & Investment Promotion • Technology & Innovation Partnerships • Joint Business Conferences • Startup & SME Collaboration • Education & Research Partnerships.
